

5 TIPS TO KEEP YOUR ORGANICS CART CLEAN, DRY & ODOR FREE

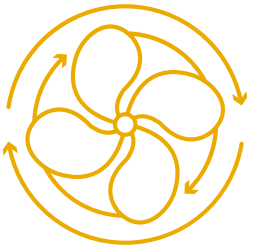

Tip #1- Line it

Line your cart with newspaper or paper bags, avoid using any plastic

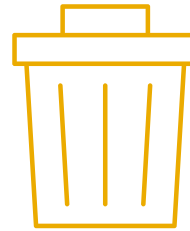

Tip #2- Layer it

Alternate layers of yard waste and food scraps; start with yard waste at the bottom to absorb moisture and seal in potential odors

Tip #3- Store it

Store your cart in a shady and ventilated spot to reduce odors and pests

Tip #4- Set it out

Roll your cart out to be emptied every week, even if it is not full

Tip #5- Rinse it

Rinse your cart out regularly with water and allow it to dry before your next usage
